In the future these programs may be modified, ended, and/or new programs implemented to achieve these same goals at the discretion of the Bishop and staff. If in the future there is no longer a need to train, place, and support clergy and lay leaders, the investment proceeds from the Deep Roots, New Life fund will be used for the support of the ministry of the diocese at the Bishop's discretion.

Donor Bill of Rights

Philanthropy is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life. To ensure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the not-for-profit organizations and causes they are asked to support, we declare that all donors have these rights:

1. To be informed of the organization's mission, of the way the organization intends to use donated resources, and of its capacity to use donations effectively for their intended purposes.
2. To be informed of the identity of those serving on the organization's governing board, and to expect the board to exercise prudent judgment in its stewardship responsibilities.
3. To have access to the organization's most recent financial statements.
4. To be assured their gifts will be used for the purposes for which they were given.
5. To receive appropriate acknowledgment and recognition.
6. To be assured that information about their donations is handled with respect and with confidentiality to the extent provided by law.
7. To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.
8. To be informed whether those seeking donations are volunteers, employees of the organization, or hired solicitors.
9. To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.
10. To feel free to ask questions when making a donation and to receive prompt, truthful, and forthright answers.

This statement in its entirety was developed by the American Association of Fund-Raising Counsel (AAFRC), Association for Healthcare Philanthropy (AHP), Council for Advancement and Support of Education (CASE), and the Association of Fundraising Professionals (AFP), and adopted in November 1993.

The most recent financial statements, and a listing of trustees, can be found at www.nhepiscopal.org/trustees.

The Episcopal Church of New Hampshire does not sell/share the names or contact information of its donors to any organizations other than for the express use of the Church itself.
